### **VITAL INSIGHT SPEAKS AT THE LOCAL CHAPTER MEETING OF THE INSTITUTE OF INTERNAL AUDITORS (IIA) IN AUSTIN, TX**

**Austin, Texas - September 26, 2006** - Vital Insight, a leading provider of advanced Enterprise Risk Management and Corporate Governance solutions presented at the IIA chapter meeting in Austin, Texas. Company executives, Alan White, President and CEO, and Ryan Sawyer, Vice President of Professional Services, conducted a session on Enterprise Risk Management. This session focused on the components of an Enterprise Risk Management program and some specific examples of challenges and issues seen at various companies.

"I truly enjoyed the presentation by Vital Insight," said Janice Berger. "It is great to hear firsthand experience about what can go wrong when a company lacks strong Enterprise Risk Management or Corporate Governance programs. I look forward to sharing the information I learned today with others at my company."

"Enterprise Risk Management is rapidly coming to the forefront with today's public companies. The strength of Vital Insight's solution suite is well positioned to handle the multitude of issues surrounding risk and compliance. The feedback from the audience was tremendous, I look forward to continuing to address new requirements with our Governance Insight solution", said Alan White, President and CEO of Vital Insight.

### **ABOUT VITAL INSIGHT**

Vital Insight is a leading provider of Enterprise Risk Management and Corporate Governance solutions. It was founded by former Big Four consultants with over 50 man years of Enterprise Risk Management, Sarbanes-Oxley, internal audit, and risk based consulting experience. The company's core product, Governance Insight, is an easy-to-use, database-driven software application. It allows companies to centrally manage, document, and test all processes, risks, and controls within their business. Vital Insight's integrated solution suite provides customers with significant cost savings by streamlining their compliance and risk management requirements.
