### CLEARCUBE TECHNOLOGY BECOMES DEVELOPMENT PARTNER FOR GOVERNANCE INSIGHT

*Vital Insight to provide targeted solution for first time Sarbanes-Oxley compliance*

**Austin, Texas – May 8th, 2006** – Vital Insight, a leading provider of Enterprise Risk Management and Corporate Governance solutions, today announced that ClearCube Technology has agreed to pilot the company's Governance Insight product.

"The SOX Essentials product is specifically designed to help companies who are facing the challenge of Sarbanes-Oxley compliance for the first time," said Alan White, President and CEO. "Using the experiences of the companies who went through this in 2004 and 2005, we can give new compliers the tools, content, and expertise they need to be successful – at a very affordable price."

ClearCube's CFO, Don Neville added, "Vital Insight's software was surprisingly easy to implement and learn. Within a few days, they were able to convert our existing SOX data and get us up and running."

#### ABOUT VITAL INSIGHT

Vital Insight is a leading provider of Enterprise Risk Management and Corporate Governance solutions. It was founded by former Big Four consultants with over 50 man years of Enterprise Risk Management, Sarbanes-Oxley, internal audit, and risk based consulting experience. The company's core product, Governance Insight, is an easy-to-use, database-driven software application. It allows companies to centrally manage, document, and test all processes, risks, and controls within their business. Vital Insight's integrated solution suite provides customers with significant cost savings by streamlining their compliance and risk management requirements.
