### VITAL INSIGHT NAMES MARK PRENTICE VICE PRESIDENT OF PRODUCT STRATEGY

**Austin, Texas – September 18, 2006** – Vital Insight - a leading provider of advanced Risk Management and Corporate Governance solutions, today announced the appointment of Mark Prentice as Vice President of Product Strategy.

Mark brings extensive experience designing and developing business software solutions for risk management, finance operations, and revenue assurance programs. Before joining Vital Insight, Mark was an executive at PricewaterhouseCoopers where he led numerous Sarbanes-Oxley compliance, revenue assurance, and finance effectiveness projects. Prior to PricewaterhouseCoopers, Mark was a consultant at Arthur Anderson LLP.

"Having witnessed the problems companies face when trying to establish and maintain Sarbanes-Oxley programs manually," said Mark. "I can understand how an effective integrated software solution can greatly improve program effectiveness. Vital Insight's software focuses on all key aspects of sustaining and improving the SOX program. I am looking forward to joining the team and continuing to deploy the best solutions on the market."

"Being able to bring someone with Mark's extensive background and experience was quite beneficial and adds strength to our management team", said Alan White, President and CEO of Vital Insight. "I can already see the impact Mark has made in just a short period of time. We're quite fortunate to have him on board".

Mr. Prentice will report directly to the CEO and be responsible for product management and product development.

#### ABOUT VITAL INSIGHT

Vital Insight is a leading provider of Enterprise Risk Management and Corporate Governance solutions. It was founded by former Big Four consultants with over 50 man years of Enterprise Risk Management, Sarbanes-Oxley, internal audit, and risk based consulting experience. The company's core product, Governance Insight, is an easy-to-use, database-driven software application. It allows companies to centrally manage, document, and test all processes, risks, and controls within their business. Vital Insight's integrated solution suite provides customers with significant cost savings by streamlining their compliance and risk management requirements.
