PROSPECT CONSULTING GROUP JOINS VITAL INSIGHT PARTNER NETWORK

Vital Insight Grows its Partner Network with Key Specialty Firm

Austin, Texas – March 16, 2007 – Vital Insight, a leading provider of advanced Enterprise Risk Management and Corporate Governance solutions, today announced that Prospect Consulting Group has joined its Consulting Partner Program. Prospect Consulting Group provides expert consulting services to financial services, media & entertainment, and high-technology companies, including Sarbanes-Oxley Compliance, Revenue Assurance, Intellectual Property Strategy and Protection, and Business Process Optimization.

“The addition of Prospect Consulting Group to our partner program strengthens our Sarbanes-Oxley capabilities and gives us access to some great thought leaders in other areas where we can build our product line,” said Alan White, President and CEO. “Prospect’s consultants are very skilled at helping companies through Sarbanes-Oxley, but more importantly, are able to see the value of the information required to comply with Sarbanes-Oxley to help the business.”

“We see Vital Insight’s software as a great way to accelerate and streamline compliance with Sarbanes-Oxley,” added Melanie Cook, President & CEO of Prospect Consulting Group. “What is really interesting to us is the application of this software to issues like Revenue Assurance or Intellectual Property strategies, where the effective management of business controls can actually help our customers make more money.”
