VITAL INSIGHT NAMES RYAN SAWYER VICE PRESIDENT OF PROFESSIONAL SERVICES

Seasoned risk management delivery expert adds strength to executive management team

Austin, Texas - August 23, 2006 - Vital Insight, a leading provider of advanced Enterprise Risk Management and Corporate Governance solutions, today announced the appointment of Ryan Sawyer as Vice President of Professional Services.

Ryan brings with him extensive experience in leading and delivering Enterprise Risk Management, Sarbanes-Oxley, and risk consulting services. Before joining Vital Insight, Ryan served as an executive at Protiviti Inc., where he was responsible for leading Sarbanes Oxley, Internal Audit, and Enterprise Risk Management projects at several Fortune 1000 companies. Prior to Protiviti, Ryan was responsible for leading a variety of internal audits and risk management projects with Arthur Andersen.

"Having someone of Ryan's caliber join our management team is a true testament to the completeness of our offering", said Alan White, President and CEO of Vital Insight. "He not only has tremendous experience with delivering risk management solutions but is one of the most knowledgeable individuals I've seen when it comes to Corporate Governance".

"I have felt the pain that companies have endured with the increasing emphasis on Corporate Governance and Enterprise Risk Management," said Ryan. "Vital Insight's software solution far exceeds any of the other products I have seen in the market and now I know my clients have some relief in sight. I look forward to joining the team and I am confident that Vital Insight will be the leader in Corporate Governance and Enterprise Risk Management software."

Mr. Sawyer will report directly to the CEO and will be responsible for all implementation, training, and consulting services around the Vital Insight suite of products and services.

ABOUT VITAL INSIGHT

Vital Insight is a leading provider of Enterprise Risk Management and Corporate Governance solutions. It was founded by former Big Four consultants with over 50 man years of Enterprise Risk Management, Sarbanes-Oxley, internal audit, and risk based consulting experience. The company's core product, Governance Insight, is an easy-to-use, database-driven software application. It allows companies to centrally manage, document, and test all processes, risks, and controls within their business. Vital Insight's integrated solution suite provides customers with significant cost savings by streamlining their compliance and risk management requirements.
