URTON ANDERSON JOINS VITAL INSIGHT ADVISORY BOARD

Vital Insight adds Leading Industry Expert

Austin, Texas – December 20, 2006 – Vital Insight, a leading provider of Enterprise Risk Management and Corporate Governance solutions, today announced the appointment of Urton Anderson to the company's Advisory Board. Mr. Anderson currently serves as the Associate Dean of Undergraduate Programs at the McCombs School of Business at the University of Texas at Austin. Urton is a well-know and widely published Enterprise Risk Management champion and expert. He serves as the Chairman of the Board of Regents of the Institute of Internal Auditors, on the Board of the Healthcare Compliance Association, and is the current Author/Editor of the Internal Auditors Handbook. He has published several articles, research papers, and books on the subject of Enterprise Risk Management and internal auditing.

"The addition of Urton to our Advisory Board is a great indicator of the quality of our solutions and our commitment to providing the best products in the industry" said Alan White, President and CEO.

"Urton is one of the leading experts in the industry. He gives us a lot of insight into the market and the needs of our customers".

"I'm excited about the work that Vital Insight is doing" added Mr. Anderson. "This market is very young, and is looking for a leader to provide a comprehensive software solution. Vital Insight is well on their way to doing just that".

ABOUT VITAL INSIGHT

Vital Insight is a leading provider of Enterprise Risk Management and Corporate Governance solutions. It was founded by former Big Four consultants with over 50 man years of Enterprise Risk Management, Sarbanes-Oxley, internal audit, and risk based consulting experience. The company's core product, Governance Insight, is an easy-to-use, database-driven software application. It allows companies to centrally manage, document, and test all processes, risks, and controls within their business. Vital Insight's integrated solution suite provides customers with significant cost savings by streamlining their compliance and risk management requirements.
